Please circle/highlight the **three subjects** you wish to study. You should be selecting subjects for which you are predicted a grade B/5 or above. No two subjects can be chosen from within the same block. Many subjects appear in more than one block and can be selected in any block.

Subjects in bold appear in only one block. For students wishing to study Maths and Further Maths, both option blocks A & C must be selected. Further Maths students should undertake four A-levels.

If you have strong GCSE grades and wish to study four A-levels (not including Further Maths) please speak to Mr Small, Head of Sixth Form, to discuss your choices. You will need to select four A-levels on this application form.

These blocks may be amended for September 2017 as a result of student demand and staffing changes. If there are insufficient numbers a subject may be removed from a block.
