Please circle the **three subjects** you wish to study. You should be selecting subjects for which you are predicted a grade B/6 or above. No two subjects can be chosen from within the same block. Many subjects appear in more than one block and can be selected in any block.

Subjects in bold appear in only one block. For students wishing to study Maths and Further Maths, both options blocks A & C must be selected. Further Maths students should undertake four A-levels

If you have strong GCSE grades and wish to study four A-levels please speak to Mr Small, Head of Sixth Form, to discuss your choices. You will need to select four A-levels on this application form.

These blocks may be amended for September 2017 as a result of student demand and staffing changes. If there are insufficient numbers a subject may be removed from a block.

Choose only one subject in a block.
