All Partnership schools have a similar approach to meeting the needs of students with Special Educational Needs and are supported by the Local Authority to ensure that all students, regardless of their specific needs, make the best possible progress in school. - Staff who may visit the school from the Local Authority central services such as the ASD Outreach Team (CIR), Physiotherapy or Sensory Service (for students with a hearing or visual need)

	<p>Specified individual support for your child</p> <p>This is usually provided via a Statement of Special Educational Needs or an Education, Health and Care Plan (EHCP). This means your child will have been identified as needing a particularly high level of individual or small group teaching, which cannot be provided from the budget available to the school</p> <p>Usually your child will also need specialist support in school from a professional outside the school. This may be from:</p> <ul style="list-style-type: none"> • Local Authority central services such as the ASD Outreach Team or Sensory Service (for students with a hearing or visual need) • Outside agencies such as the Speech and Language therapy (SALT) service or CAMHS 	<ul style="list-style-type: none"> • The school (or you) can request that the Local Authority carry out a statutory assessment of your child's needs. This is a legal process and you can find more details on the Suffolk County Council website (hyperlink) • After the reports have all been sent in, the Local Authority will decide if your child's needs are severe, complex and lifelong and that they need more than 20 hours of support in school to make good progress. If this is the case they will write a Statement of Special Educational Needs or an EHCP. If this is not the case, they will ask the school to continue with the support and also set up a meeting in school to ensure your child makes as much progress as possible • The statement or EHCP will outline the number of hours of individual/small group support your child will receive from the LA and how the support should be used and what strategies must be put in place. The levels are called 'P levels' • At the end of Key Stage 2 all students are required to be formally assessed. This is something the government requires all schools to do and the results are published nationally • The progress of students with a statement of SEN/EHCP is formally reviewed at an Annual Review with all adults involved with the child's education, the student and parent(s)/carer(s) • The SENCO will also review progress of cohorts of students with SEN to inform training needs
