

Privacy Notice - Data Protection Act 1998

We, King Edward VI School, are the Data Controller for the purposes of the Data Protection Act. We collect information from you, and may receive information about you from your previous school. We hold this personal data and use it to:

- support your teaching and learning;
- monitor and report on your progress;
- provide appropriate pastoral care; and
- assess how well your school is doing.

This information includes your contact details, national curriculum assessment results, attendance information, characteristics such as ethnic group, special educational needs and any relevant medical information.

We will not give information about you to anyone outside the school without your consent unless the law and our rules permit it. We are required by law to pass some of your information to the Local Authority (LA), and the Department for Education (DfE).

Once you are aged 13 or over, we are required by law to pass on certain information to providers of youth support services in your area. This is the local authority support service for young people aged 13 to 19 in England. We must provide the names and addresses of you and your parent(s), and any further information relevant to the support services' role.

However, if you are over 16, you (or your parent(s)) can ask that no information beyond names, addresses and your date of birth be passed to the support service. This right transfers to you on your 16th birthday. Please tell the school if you wish to opt out of this arrangement. For more information about young people's services, please go to the National Careers Service page at <https://nationalcareersservice.direct.gov.uk/aboutus/Pages/default.aspx>
