

## **GCSE Geography**

From September 2016 we are following the new OCR A (Geographical themes) Specification for Geography.

### **Year 11**

#### **What will I learn?**

- Ecosystems of the Planet
- People of the Planet
- Environmental Threats to our Planet
- Fieldwork experience 2
- Geographical skills

#### **How will I be assessed?**

You will be assessed through three examinations at the end of Year 11 as follows:

- Exam 1 – Living in the UK today, 1 hour exam, 60 marks.
- Exam 2 – The World Around Us, 1 hour exam, 60 marks
- Exam 3 – Geographical Skills (including fieldwork assessment), 1 hour 30 minutes exam, 80 marks.

#### **How will I be taught?**

You will be taught by one teacher. Lessons involve a variety of teaching and learning styles and include discussion of key points with key geographical skills embedded in the lessons.

Fieldwork is taught off site and may involve a day trip or residential trip as well as practise of fieldwork skills in the school locality on occasions.
