LONG ROAD SIXTH FORM
COLLEGE
CAMBRIDGE

Dear Students, Parents and Carers,

We hope this email finds you safe and well.

These are strange and confusing times for us all, especially those students thinking about their next stage of study. We know that as a Year 10 student, thinking about your Sixth Form options might not be top of your list right now, but we wanted to get in touch to help keep you motivated and enthusiastic about the exciting opportunities that you have to look forward to!

Virtual Welcome Week: 22 – 25 June 2020

Open Evenings are one of our favourite events of the year and nothing could stop us from meeting all our prospective students! We have updated our plans and will now be hosting a Virtual Welcome Week for Year 10 students. Our Virtual Welcome Week will be a combination of videos and live sessions from both students and staff, giving you the opportunity to explore everything Long Road has to offer from the safety and comfort of your own home!

The fun will start on Monday 22nd June - head to our [website](#) or [YouTube channel](#) to check out videos about each of our subjects, hear from current and former students and much, much more!

You can then join us on Wednesday 24th or Thursday 25th for live events with our Principal, Vice-Principal and students, so come along and join us for an exciting evening! Make sure you register using the link below to join our live events.

All you need is an internet connection (a laptop or computer would be best) but don't worry, you won't need a webcam or microphone.

Do you have a question for our Principal? [Click here to head to our website and fill out a question form!](#) If we can't answer it during our live session then we'll email you back as soon as possible.

We hope to meet you all soon.

Stay safe and best wishes,

Long Road Admissions Team
