

Knowledge Organiser Learning Challenges

Throughout the year you will be given vocabulary or grammar from the knowledge organiser to learn for homework. Aim to try out as many of the methods below as possible, to discover how you learn best. There are some blank rows at the bottom for you to add your own ideas. Good luck!

	Learning Technique	Date used	Result/Feedback
1	look, cover, write, check		
2	get someone to test you		
3	teach someone else!		
4	create flashcards		
5	create a game to revise- eg: pairs		
6	write vocab on post-its and stick around the house		
7	use an app like Quizlet		
8	copy out 10 times		
9	create a song/rap/ mnemonic		
10	use colours/pictures/ symbols		
11	record yourself and listen back

13			
14			

EXTRA CHALLENGES:

1. Pick a topic page and write 5 sentences/ a paragraph using the key vocabulary.
2. Pick a verb and use it in 5 sentences, using a different subject pronoun in each.
3. Write 5 opinion sentences- make them more complex with intensifiers.
4. Write a paragraph using a variety of connectives to link your ideas.
5. Pick a topic and create a mind map to help you/your friends learn.
