Attached are your exam results.

Grade boundaries

Grade boundaries show the minimum number of marks you need for each grade. Exam board grade boundaries will be published on the Examination area of the school website on results day.

Enquires about Results

If you wish to request a post-results service you must complete and submit an application form and submit this to the Examinations Officer, together with the required fee by the published deadline. Applications received after the deadline will not be accepted.

Service EAR1 - Clerical re-check

Awarding bodies aim to provide an outcome to a clerical check request within 10 calendar days. This service includes the following checks:

- That all parts of the script have been marked
- The totalling of marks
- The recording of marks

Service EAR2 - Review of marking

Awarding bodies aim to provide an outcome to a review of marking request within 30 calendar days.

This is a post-results review of the original marking to ensure that the agreed mark scheme has been applied correctly. **It is not a re-marking of the candidate's script.** The awarding body will have trained its reviewers to conduct reviews of marking accurately and consistently. **Reviewers will not re-mark the script.**

If you request a review of marking there are three possible outcomes:-

- Your original mark will be confirmed as correct and there will be no change to your grade.
- Your original mark may be raised and this may or may not result in a change of grade.
- Your original mark may be lowered and this may or may not result in a change of grade.

Access to scripts

A script refers to the written work of a candidate from an externally assessed component. The Access to Scripts service does not apply to internally assessed components, orals or audio/video tapes.

Service OP - Priority photocopy (A-level scripts)

Access to photocopied scripts is for use when a candidate wants to see a script before deciding whether to ask for a review of marking (service EAR2). The awarding body will despatch your script to the Exams Officer two weeks before the deadline for reviews of marking.

You can make an enquiry about the result (services EAR1 or EAR2) as long as you do so by the **final deadline**.

Service 00 - Script Original

Access to the original script is for use when a candidate wants to use their script for learning purposes. If you are considering a review of marking you should **NOT** order a script original. Please note that if you make a script original request for a paper that was marked online, a printed copy of the online marked script will be sent.

Further advice and information

If you wish to request a post-results service you must complete an application form which can be requested from the Examinations Officer. Your application and payment must be forwarded to Student Services by the published deadline. Should you have any questions about your results or the post – results service please contact Caroline Blyth, the Examinations Officer using the contact details listed on the front of this leaflet.
