Respect - Aspiration - Creativity

# Y6 Transition Newsletter

#WorkHardBeKind

## Welcome

This is the first issue of **Ed Lines** - our special newsletter for you, the students joining us in September 2023.

We are delighted that you have chosen our school and can't wait to meet you all.

Mr. Herbert  
Assistant Headteacher

## Food for Thought...

Food is important to us at King Edward VI School. We have two places you can buy food from at break time and lunchtime, whether you want a custom-made sandwich from Ed's Place or top-quality home cooking at Le Bistro.

Click on the image to view le Bistro Menu

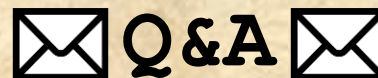

## Information Overload

There is lots of information to remember when you start a new school. We thought it might be helpful if we listed some of the main points you'll need to take on-board:

- We have four lessons each day
- Each lesson is 75 minutes long
- We have a two week timetable with a Week A and Week B
- We do not have any bells
- Lunchtime is from 1:20 - 2:20pm
- Tutor time starts at 8:55am
- Our school day finishes at 3:35pm

**COMING SOON**

We are working on even more content for the new [transition website page](#). It will be packed full of videos, key information, advice and handy tips.

You are very welcome to ask questions before September - about anything that might be worrying or confusing you. Just click on the email address below to send us your question, and one of us will be happy to respond.
