## APPRENTICESHIP OPPORTUNITIES EVENING EVENT

Warren Services would like to invite any parents and students to an apprentice open evening event.

7:00PM-  
8:00PM

27 MARCH  
2024

2 Brickfields Way, Thetford, Norfolk, IP24 1HX

- ★ We have Level 2 engineering apprenticeship vacancies available, starting in September 2024.
- ★ We would like to meet any parents and students that may be interested and would like to find out more.
- ★ This event will allow you to see what life at Warren is really like, and you will have the opportunity to ask any questions about our apprenticeship programme.
- ★ We have a long-proven record of training young people and have offered apprenticeships for over 25 years.
- ★ Here at Warren, we get our biggest kick out of seeing young people enter the business as apprentices and progress to the top of their profession.

Please take a look at our website for more information:
