

Portrait Competition

Yrs 7,8,9 &10

The portraits should be produced by the person entering it, and that no AI is to be used to make final outcomes, and where possible, minimal AI is used in the planning and creating. We encourage a broad range of media, be it graphite, colouring pencils, charcoal, watercolour, gouache, acrylic, collage, or maybe even a three dimensional piece made from clay or wire! The subject of the portrait doesn't need to be the artist themselves but instead could be a friend or family member, teacher or celebrity.

Prize: Amazon Vouchers for winner and 2 runners up and art supply sets

Deadline: 1st June 2026

Submit a photo via email:
